

## **AL2533JV 5.1 acreages at Managua Road**

# **Offered at: \$45,000**

### **Overview:**

This is a 5.1-acre farm 12 kilometers from the colonial city of Leon. You have easy access to Leon or Managua with all the amenities you could need. The land is pretty flat and firm which is a plus and advantage if you're interested in starting to build right away. It has 255 meters of land next to the main road Leon-Managua that gives the farm great value and easy access. The farm has other businesses as neighbors on both sides and it has access to public and private transportation.
