

Iguana M-24 Hacienda Iguana

USD \$79,000

Overview:

This nearly quarter-acre homesite is just steps from the beach, offering the perfect location for your dream home. With its flat terrain and plenty of natural shade, it provides an easy and convenient building site. The Panga Mar lots are some of the most affordable options available, yet they boast an unbeatable proximity to the beach. Residents also enjoy access to a community center with a pool, a hammock rancho for laid-back lounging, and an air-conditioned gym with panoramic glass walls, letting you soak in the breathtaking natural beauty while you exercise.
